## 1) Henning Org Chart

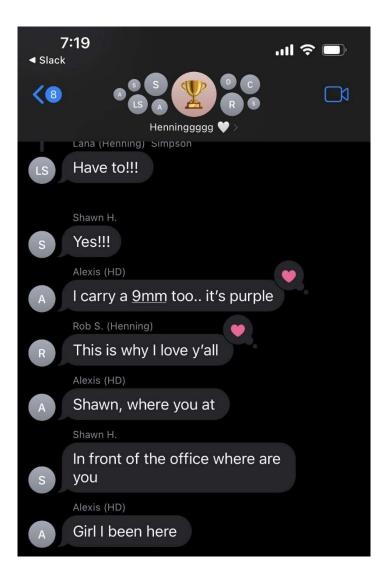

2) I blacked out a name because it's a client's name but I'm this part, they're talking about using a weapon on a client. Second part of the screenshot is Alexis saying she's on her way to Henning main office. Alexis spent a lot of time at Henning office and holds her gov't meetings with Henning staff present. (Unsure if it's illegal or just a moral thing)

7) In this instance, they refused a client (with a service animal) a room/apartment at the Golden Lion, even though they had rooms available.

8) \*\* No picture: For the Golden Lion, Henning and Alexis have an Alexis Special. Basically, Alexis calls Henning to see if they have rooms available and if they do, Alexis has them reserve the room for a homeless individual she finds. The client then stays at the Golden Lion, rent free. Golden Lion is a housing program that requires rent.

9) In this part of the chat, they speak about encouraging clients to register to vote and then vote for Mayor Bronson in exchange for what is said in the texts. In the following managers meeting, Crystal Abbot, Director of Operations verbally stated to tell clients to vote for Mayor Bronson. After making that statement, she acknowledged that it's illegal to do that but stood by what she stated.
